Sales increased for all **product categories**, with *Driver's Equipment* in particular prominence (+33.3%), driven by the growing success of helmets, while the *Car Parts* segment recorded +15.3 % and *Other* grew by 9.2 %.

Dealers are confirmed as the main **sales channel** for the Group, accounting for 65% of total sales in the first nine months of the year. Compared to 2021, there was a strong increase in revenues to *Team & Car Manufacturer* (+40.3%) and *Other* (+76.3%), segments that benefited from important partnership agreements signed by the Group.

A new sales record is expected for the full year 2022.

Roberto Ferroggiaro, Chief Financial Officer of Racing Force Group, commented:

"The results we have been recording in recent years testify to the effectiveness of the growth strategies that the Group is implementing in the Motorsport sector, thanks to the synergies resulting from the integration of the different brands and thanks to well targeted investments in R&D and innovation. The figures for the quarter are very gratifying, and we believe that the margins for growth are still wide, both for the activities of our core business and for the projects included in our diversification strategy."
